About Nikam Group

Hunter Security Force is our flagship company which provides Security related services. It was conceived by Mr. Samadhan Nikam (Ex-Army). His experience & discipline from Army proven to be the key factors for the organization. We commenced operations in Feb, 2000.

Throughout our journey we have served various kinds of clients from different fields. Services rendered to our client were appreciated by them and we were felicitated wholeheartedly.

At Nikam Group we always attempt to explore new dominion of customer care solutions; thus, we commenced Ayush Manpower solutions. Operations began in April 2002. Our clients' motivation made us enter a new era of customer service solutions. Affiliation with clients makes us evolve with rock solid desire to be a leader in customer care solutions.

Our Stand On Industry

Hunter Security Force is surely shining & making its presence on a global canvas. India is a global phenomenon and recognizing that most of the global organizations are coming here with their experience & expertise in international trade.

Unfortunately terrorism has also been making its way to India. This requires us to be ready to face a new challenge of global terrorism. Being one of the strong economies in it's continent' India also attracts a large number of illegal migrants. They are here to seek their fortune & when their hopes are dashed to ground they seek an easy escape on a path of crime. A rising crime graph has become one of the most serious concerns of our society; thus, a need for a secure environment has become a MUST.

Operations

Our core team always works with an eagle eye toward Customer Satisfaction; which has always been the most fundamental aspect of our belief system. Our affiliation with clients is set to be prolonged & trustworthy.

In the year 2005 we began our nationwide operations. Today we operate in over ten cities within six states.

We at Nikam Group have been serving toward a supreme desire of safe, sound & healthy environment.

Progression

Anticipating changing customer needs; we have acquiescence the global pattern of security and customer care solutions. With robust infrastructure and solid teamwork we have created a well-knitted working environment.

Our quality staff ensures the positive outcome towards customer satisfaction. We have shaped ourselves to meet a highest possible standard of international corporate trade. Trained staff along with state-of-art equipments, ensures a topnotch quality of end results.

Aspiration

With team efforts & customer reliance we strive to become an organization of most cost effective, yet expedient security & customer Care Solutions.

We want to accomplish high level of efficiency with a constant improvisation to achieve an apex level of quality & customer satisfaction.
